

Elko, Nevada: February 19, 2007 - Galway Resources Ltd. (GWY: TSX-V) (“Galway Resources” or the “Company”) is pleased to announce that it has, subject to regulatory approval, engaged Brisco Capital Partners Corp. (“Brisco”) of Calgary, Alberta as its investor relations consultant. Under the terms of the engagement, Brisco will assist in developing a comprehensive communications program targeted towards the investment community which includes investment funds, retail brokers, as well as individual investors.

“We are very pleased and excited to be embarking on this new relationship with Brisco. With our team in-place and as we continue to advance our projects, we believe that Brisco will provide the Company with the proper platform to begin to attain a more proper valuation of our share price to better reflect the potential of our asset base. We look forward to Brisco introducing the Company to a host of new shareholders and investors in Canada, and elsewhere,” said Robert Hinchcliffe, President and CEO of Galway Resources.

Brisco takes a full-service approach to investor relations and provides creative, effective, results-driven investor relations programs for Canadian public companies. Led by Graeme Dick and chaired by Scott Koyich, Brisco will heighten awareness of the Company with the Canadian retail and institutional investment community.

“Galway’s experienced management team and their three strategically located US based exploration projects coupled with solid news flow makes for a compelling story. A story we are anxious to introduce to our network”, stated Graeme Dick of Brisco.

Brisco has been engaged, initially, for a one year period for approximately \$70,000 per annum. In addition, the Company will grant to Brisco incentive stock options to purchase up to 145,000 shares of the Company at \$0.83 per share.

Other Matters

The Company advises that Tim Searcy has resigned from the Board of Directors but will continue to provide consulting services to the Company. The Company recognizes the solid contribution that Mr. Searcy has provided to Galway Resources and wishes him well in future endeavours.

About the Company

Galway Resources is focused on developing three U.S. based exploration projects that are favorably located with respect to infrastructure and have over 300,000 feet of historical drilling. We have established a solid technical team that has compiled all the historical data and is now advancing these projects in an aggressive but cost effective manner. Management believes that its strategic portfolio of properties offers investors an interesting

exposure to a unique blend of commodities.
