

**Vancouver, British Columbia – July 27, 2007 – Galway Resources Ltd.** (“Galway” or the “Company”) (TSX-V: GWY) announces that it has increased the number of units to be issued pursuant to the brokered private placement with Evergreen Capital Partners Inc. previously announced on July 10, 2007 to up to 6,400,000 units at a price of \$1.25 per unit for aggregate gross proceeds of up to \$8,000,000, subject to regulatory approval.

Galway also intends to complete a separate non-brokered private placement of up to 400,000 units at a price of \$1.25 per unit for aggregate gross proceeds of up to \$500,000, subject to regulatory approval.

The units will have the same terms described in the July 10, 2007 press release.

Galway intends to use the proceeds of the private placements for the ongoing development of its three U.S. based projects and for general corporate purposes and working capital.

### **About Galway Resources**

Management is focused on developing three U.S. based exploration projects that are favorably located and have over 300,000 feet of historical drilling. We have established a solid technical team that is compiling all the historical data and are now advancing these projects in an aggressive but cost effective manner. Management believes that its strategic portfolio of properties offers investors an interesting exposure to a unique blend of commodities including molybdenum, tungsten, zinc and copper.
